

Flash Mob 2012!

If you were in downtown Frankfort in front of the Old Capitol Building at 8:30pm on Friday, August 31st, you were flash mobbed! Dancing to "Let's Go!" by Calvin Harris (featuring Ne-yo), the LIVE UNITED flash mob dancers, were awesome!

Thank you to Capital Plaza Hotel for helping provide practice space and to all dancers for sharing your time and talent! A special thank you to Teresa Barton, United Way Board President for leading in the organization of this event. Thanks also to Mark Wash Photography for capturing practice and the big moment on film and to Shanda Blankenship for choreographing this energizing routine!
